Glory be to Jesus Christ!

Dear Faithful of St. Nicholas Ukrainian Catholic Eparchy,

As we commemorate the two-year anniversary of the *Building our Faith Together, in Unity and with Gratitude* Campaign, it is my pleasure to present to you our Two-Year Campaign Summary Report.

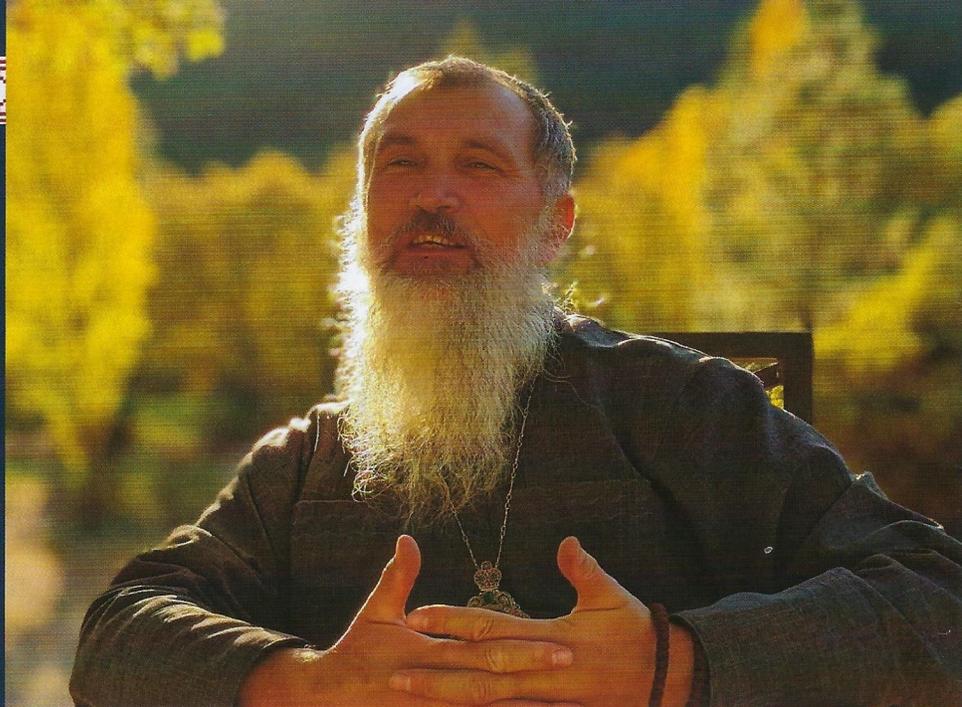

I am very pleased, and very grateful, for the generosity and the thoughtful consideration of so many people from throughout our Eparchy who have supported and continue to support the Campaign, particularly now in these difficult and still uncertain times. Your generosity has allowed us to make considerable progress on the restoration of the Cathedral and also on the other goals of the campaign.

As our team of clergy and laity work diligently together to address our urgent needs, we are reminded that five generations of the Ukrainian Catholics, our ancestors, contributed generously to building the magnificent 114-year-old Cathedral, the Mother Church of our Eparchy, as well as to establishing our parishes, missions and monasteries throughout the Midwest and Western United States. We are truly blessed to be a prayerful Eparchial community of 43 parishes and the spiritual home to tens-of-thousands of past, present and future parishioners. I want to assure you that St. Nicholas Eparchy is committed to helping each and every parish and your support of this campaign will help us fulfill our goal.

I humbly and respectfully ask all of our parishioners to please help us complete the restoration of St. Nicholas Cathedral and sustain the long-term viability of St. Nicholas Eparchy.

In the spirit of unity and gratitude, may God bless each of you,

Most Reverend Benedict (Aleksiychuk)

Слава Ісусу Христу!

Дорогі вірні єпархії святого Миколая,

Наближаючись до відзначення другої річниці нашої кампанії *“Разом плакаймо нашу віру, у єдності і з вдячністю”*, я з приємністю хочу Вам презентувати звіт за два роки її діяльності.

Я вдячний за відкритість сердець і підтримку вірних нашої Єпархії, які поділилися своїми дарами і продовжують ділитися ними, особливо тепер, у ці важкі і невизначені часи. Завдяки Вашій щедрості ми змогли досягти значних успіхів з відновою катедрі та з іншими цілями кампанії.

Попри те, як наша команда священників і мирян продовжує злагоджено працювати над досягненням цілей, ми маємо з Вами пам'ятати про покоління українців-католиків, наших предків, які внесли значну лепту у будівництво величної 114-річної будівлі катедрі, церкви-матері нашої Єпархії, а також заснування наших парафій, місій і монастирів на Средньому Заході та Західному узбережжі США. З Божого благословення ми стали молитовною єпархіальною спільнотою 43 парафій і духовним домом для десятків тисяч минулих, теперішніх і майбутніх парафіян. Я хочу Вас запевнити, що Єпархія св. Миколая всіляко дотримується свого зобов'язання піклуватися про кожну парафію, а ваша підтримка цієї кампанії допоможе нам досягти поставлених цілей.

Зі смиренністю і повагою звертаюся до всіх наших парафіян з проханням допомогти нам завершити віднову катедрі св. Миколая і забезпечити тривалу життєдіяльність Єпархії св. Миколая.

У душі єдності і вдячності нехай Господь благословить Вас,

Преосвященний Венедикт (Алексійчук)

## CAPITAL CAMPAIGN OVERVIEW

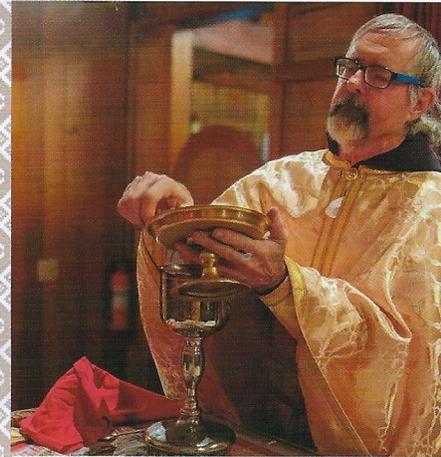

The *Building Our Faith Together, in Unity and with Gratitude* Capital Campaign of the St. Nicholas Eparchy began nearly two years ago on May 12th, 2019. It was undertaken to sustain the long-term viability of the St. Nicholas Eparchy and to restore the 114-year-old Cathedral in Chicago's Ukrainian Village, particularly the cupolas and roof. Funds from the Campaign were also designated to seed an endowment fund to better support all parishes and missions within the Eparchy, and to further develop Eparchial resources, particularly in the areas of administration and continuing education of priests, deacons and laity. We are pleased to announce that considerable progress has been made in our fundraising, and Campaign donations are now nearly \$2.4 million. Moreover, our re-energized Stewardship & Development Office that is in charge of raising and administering the Campaign's funds, has also been instrumental in restoring communication within the Eparchy and in seeking additional financial resources for the Eparchial programs and ministries.

### CATHEDRAL RESTORATION

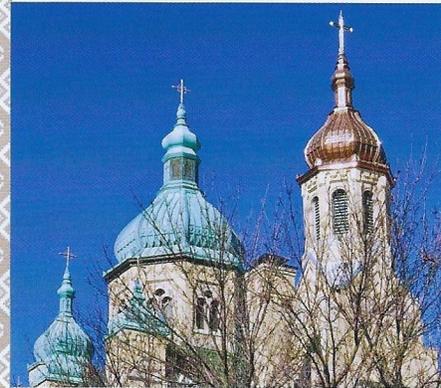

Given the magnitude of the Cathedral restoration, the project has been divided into several stages. We recently completed the first stage of the project, which addressed the urgent issues in the roof and cupola above the sanctuary. We have now initiated work on the next phase, which will address the entrance and the west end of the Cathedral. As you can see in the accompanying picture, the aesthetic achievement of stage 1 is beautifully evident and, more importantly, the engineering and structural issues have been addressed.

### ADDRESSING ALL CAMPAIGN GOALS

Bishop Benedict and the Capital Campaign leadership are committed to achieving all three goals of the Campaign, namely: completing the Cathedral restoration, supporting all parishes, particularly those with the greatest financial needs, and developing administrative and educational Eparchial resources. So far, we have appreciably moved forward with the renovation, and have made limited but not inconsiderable progress on the other two goals. Specifically, we have allocated \$100,000 from the Campaign to seed an endowment fund to support our parishes, raised \$20,000 to support St. John the Baptizer Parish in San Diego in their campaign to build a new church, and raised nearly \$12,000 for the Solidarity Fund through our Christmas campaign. The Stewardship and Development Office also has resumed its Share Program that supports Eparchial Administration and has raised over \$50,000.

## CAMPAIGN GOALS IN ACTION

## St. Nicholas Cathedral

Now that Stage 1 of the reconstruction project is finished it has provided a clearer insight into the extent of the damage that has taken place over more than a century. We now know that the total cost of the restoration will considerably exceed the initial estimate of \$2,650,000 and will total more than \$5,000,000. In light of this, the Capital Campaign will continue beyond the initial three-year time horizon and will be expanded to include new grants and other new fundraising channels of support. Also, a Phase 4 will be added to the Campaign and will encompass geography beyond the Midwestern and Western United States.

*Installation of new Cathedral dome and cross*

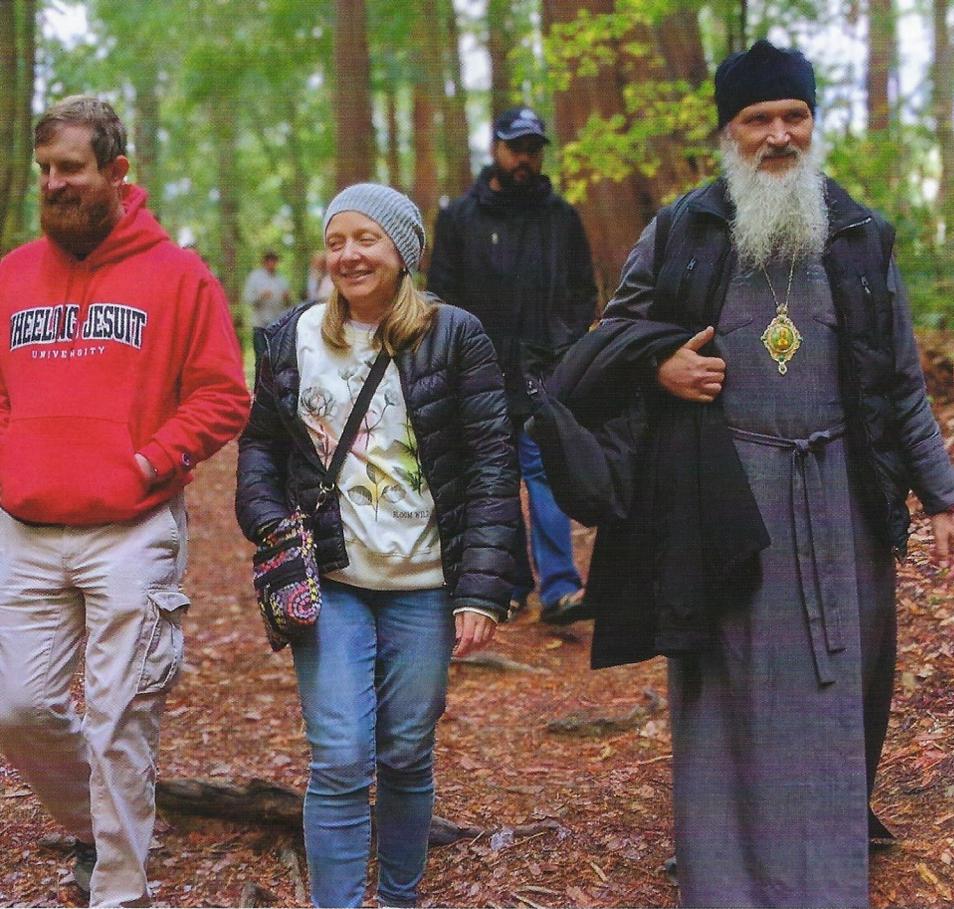

*Restoration team reviewing architectural documents*

*Fr. Serhiy Kovalchuk expressing his approval on-site*

*Mission Institute students: retreat in California*

## Developing Eparchial Resources

The Mission Institute (MI) was launched in 2019 and continues its efforts of preparing catechists for the parishes. It is focused on training future leaders for the Church. With the support of a grant from the Koch Foundation, the Eparchy was able to hold a retreat in November 2020 at the Mount Tabor Monastery in California. Twenty four participants who are currently enrolled in the Mission Institute programs from 10 different parishes in the states of California, Oregon, Washington, Indiana, Illinois, and North Dakota took part in the retreat. We are proud that the some of MI students are already teaching catechesis to children and adults at their local parishes.

## Helping Our Parishes

One of our most needy and at the same time, growing and giving communities – St. John the Baptizer – was able to purchase a new parcel of land where they are preparing to break ground for the construction of a new church in January 2022, with the support of the Eparchy, their parishioners, and a grant from the Catholic Extension which was coordinated by the Stewardship & Development (S&D) Office. The S&D Office also held an online virtual event to connect with all parishes in the Eparchy and to help St. John the Baptizer Parish raise funds for this ambitious project. During the event, which was viewed on Facebook and YouTube by over 4,000 people, \$20,000 was raised for the San Diego church building fund.

**60** years of serving the faithful of the Ukrainian Catholic Church in Midwestern and Western USA

**3,091,548** square miles of territory occupied by the Eparchy

**43** parishes and missions established since 1961

**60** priests and deacons serving now throughout the Eparchy

**5** seminarians currently studying in L'viv Seminary, Ukraine

**35,000** estimated number of faithful in the Eparchy

## WAYS TO GIVE

Bishop Benedict and the Capital Campaign Leadership team are asking everyone to prayerfully consider further supporting the *Building Our Faith Together, in Unity and with Gratitude* campaign. Your gift will allow our Eparchy to make a significant investment in our infrastructure, parishes, priests, and ministries.

The Eparchy accepts a wide variety of payment options including

- ❖ Cash
- ❖ Check
- ❖ Credit card
- ❖ Online payments

Your commitment can be fulfilled through monthly, quarterly, semi-annual or annual installments. Gift intentions are made in good faith but are not legally binding.

## NAMING OPPORTUNITIES

In addition, this is a wonderful opportunity to dedicate your gift to commemorate your family's gratitude to the church for the spiritual care you have received, to honor the memory of a deceased loved one or perhaps to honor a spouse. The St. Nicholas Eparchy is eager to work with you to help make your gift that much more meaningful to you and the local Church. Upon request, we will provide you examples of naming opportunities available through the Building Our Faith Together, in Unity and with Gratitude Capital Campaign. Contact Mariya Kokor (773.276.5080 or [capitalcampaign@esnucc.org](mailto:capitalcampaign@esnucc.org)) if you are interested in commemorating your gift.
